EYES COMIC BLink

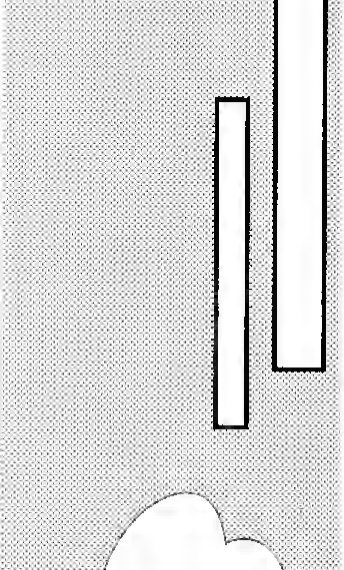
Kaitou! What are your weekend plans?
My life was smooth sailing.
It's impossible. I'm busy.
I have a bright nature and am strong in the community. And by the grace of God, I know a vast array of people.
Eh— Kaitou-kun, is the weekend really a no go?
How disappointing
Hmm? I'm crazy busy, but if it's for Yoshi-san's sake, I have to make room.
That reminds me, did you get the aforementioned contract?
Thanks!
Congrats!
Geez!
The world revolves around me and I'm not exaggerating.
Life is truly brilliantly enjoyable.
tap
So...

My bad...
Uh... No.
I should be the one to say that...
As usual, he gives off a bad impression.
Gloomy—
What's with him...
twitch
Did you hear?
It seems Azuma-san obtained the Mitsushiba contract!
Really?!

This man has put a damper on my life
He appears quiet and yet, delivers awesome results.
Right! Right! He feels like a man who's up to the task!
Azuma Katsuhide is my contemporary
I hate him.
From the start, my first impression of his was the worst.
Azuma is it? I'm Kaitou Yuuya.
Please treat me well.
Kaitou..

Repre-hensible... Are you all right?
Does he want to say I'm dumb...?!
Is he being sarcastic...?!
Smile appears to be disgusted.
Bastard...
Eyes appear like they're appraising
Azuma! Since you have a good reputation, as a former official, I'm handing over my case to you.
It's improper, but the client is difficult. But thanks to you, the orders increased.
Thank you very much.
Grrr...
Since then,
Yes! This month's sales results are the best!
How's that, Azuma? This is my true strength!

squeal
squeal
His clear eyes are so cool
♡?
Sorry Kaitou-kun, but Azuma-san is the kind of guy I like.
The finishing blow



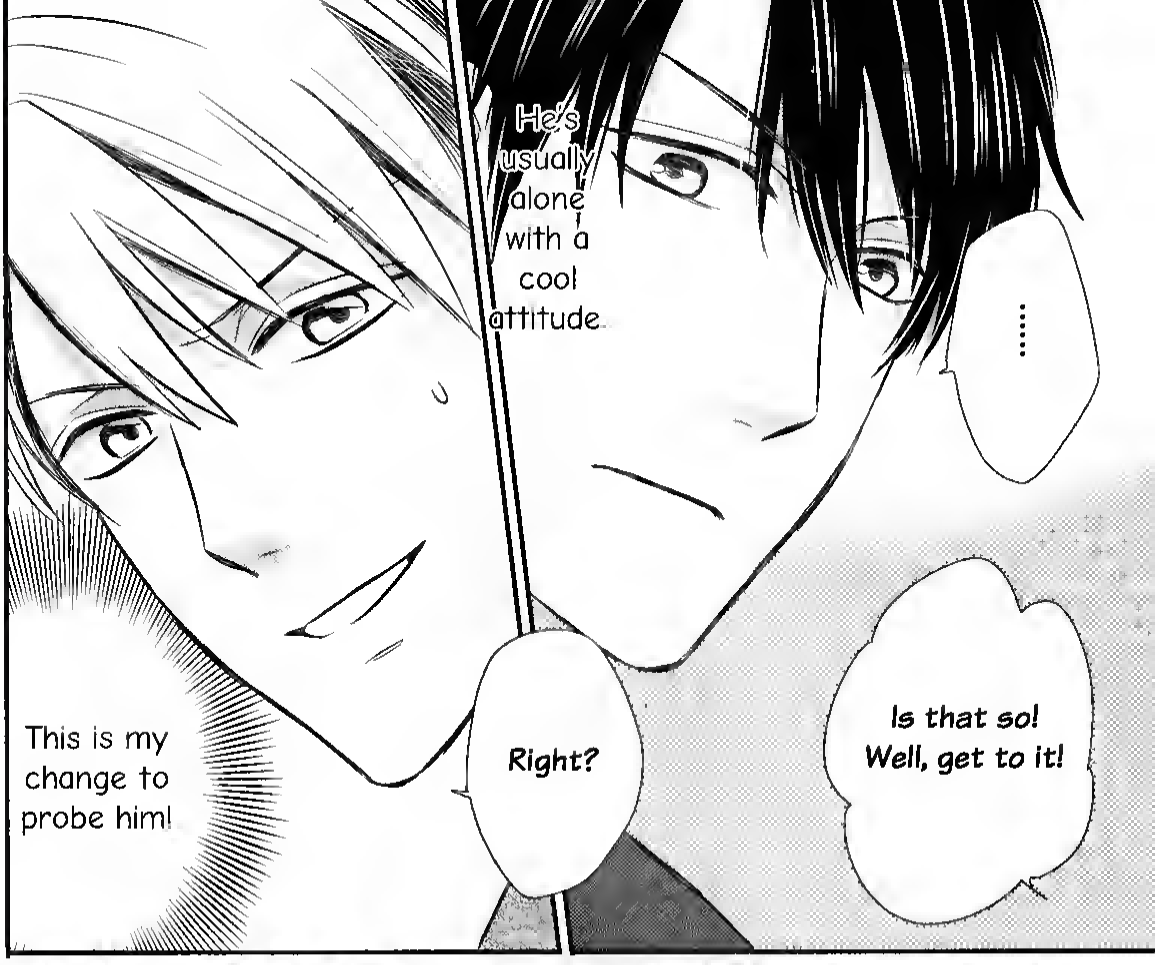
Nicely done, Azuma!

Damn you, Azuma!!!
He's perfect and in return, I'm resented.
scratch
tap
tap

Why...

He certainly has a rose-colored life...
He's well-liked more than anyone else.
Until he appeared, who, other than me, was the man?!
scratch

annoyed
.....
Even though I had the top sales results!
They tell me you got the Mitsushiba contract.
My faith in your sincere work-style gave us the victory!
twitch
Kaitou is good. You're good. I'm very proud.
Why don't you both get together and talk tactics?
Lightly
Well...
touches
You're absolutely right!
Getting together exchanging info on our work methods would really be beneficial.
I even planned for us to go drinking today.



He's usually alone with a cool attitude.
.....
Is that so! Well, get to it!
Right?
This is my change to probe him!

We joined the company at the same time and yet, so far, we've never have gone out for drinks before.
Yeah...

Kaitou's surrounding's sure is lively.
Did you think I was just an idiot?!
No.
I just thought that it's fun being surrounded by a crowd.
!
What's this?
This guy... is not acting cool like I thought he would.
Could he have poor communication skills...?
No way
That's why I was surprised today.
600
600
700

But..
smiles
It made me happy.
That...is... you exaggerate.
simple-minded→
Unexpectedly... Is he a nice guy?
Ha Ha Ha
It's fine since it was a misunder-standing.
There's no reason now, is there?
surprised
I thought you hated me, Kaitou.

I'm glad.
Uwaa
Waa
I...I'm saying, you exaggerate.
He's
Staring.
.....

It's painful...
Kaitou.
Talking with you like this,
As for this,
Is it possible?
Is fun.
No, it's probably...
Definite.

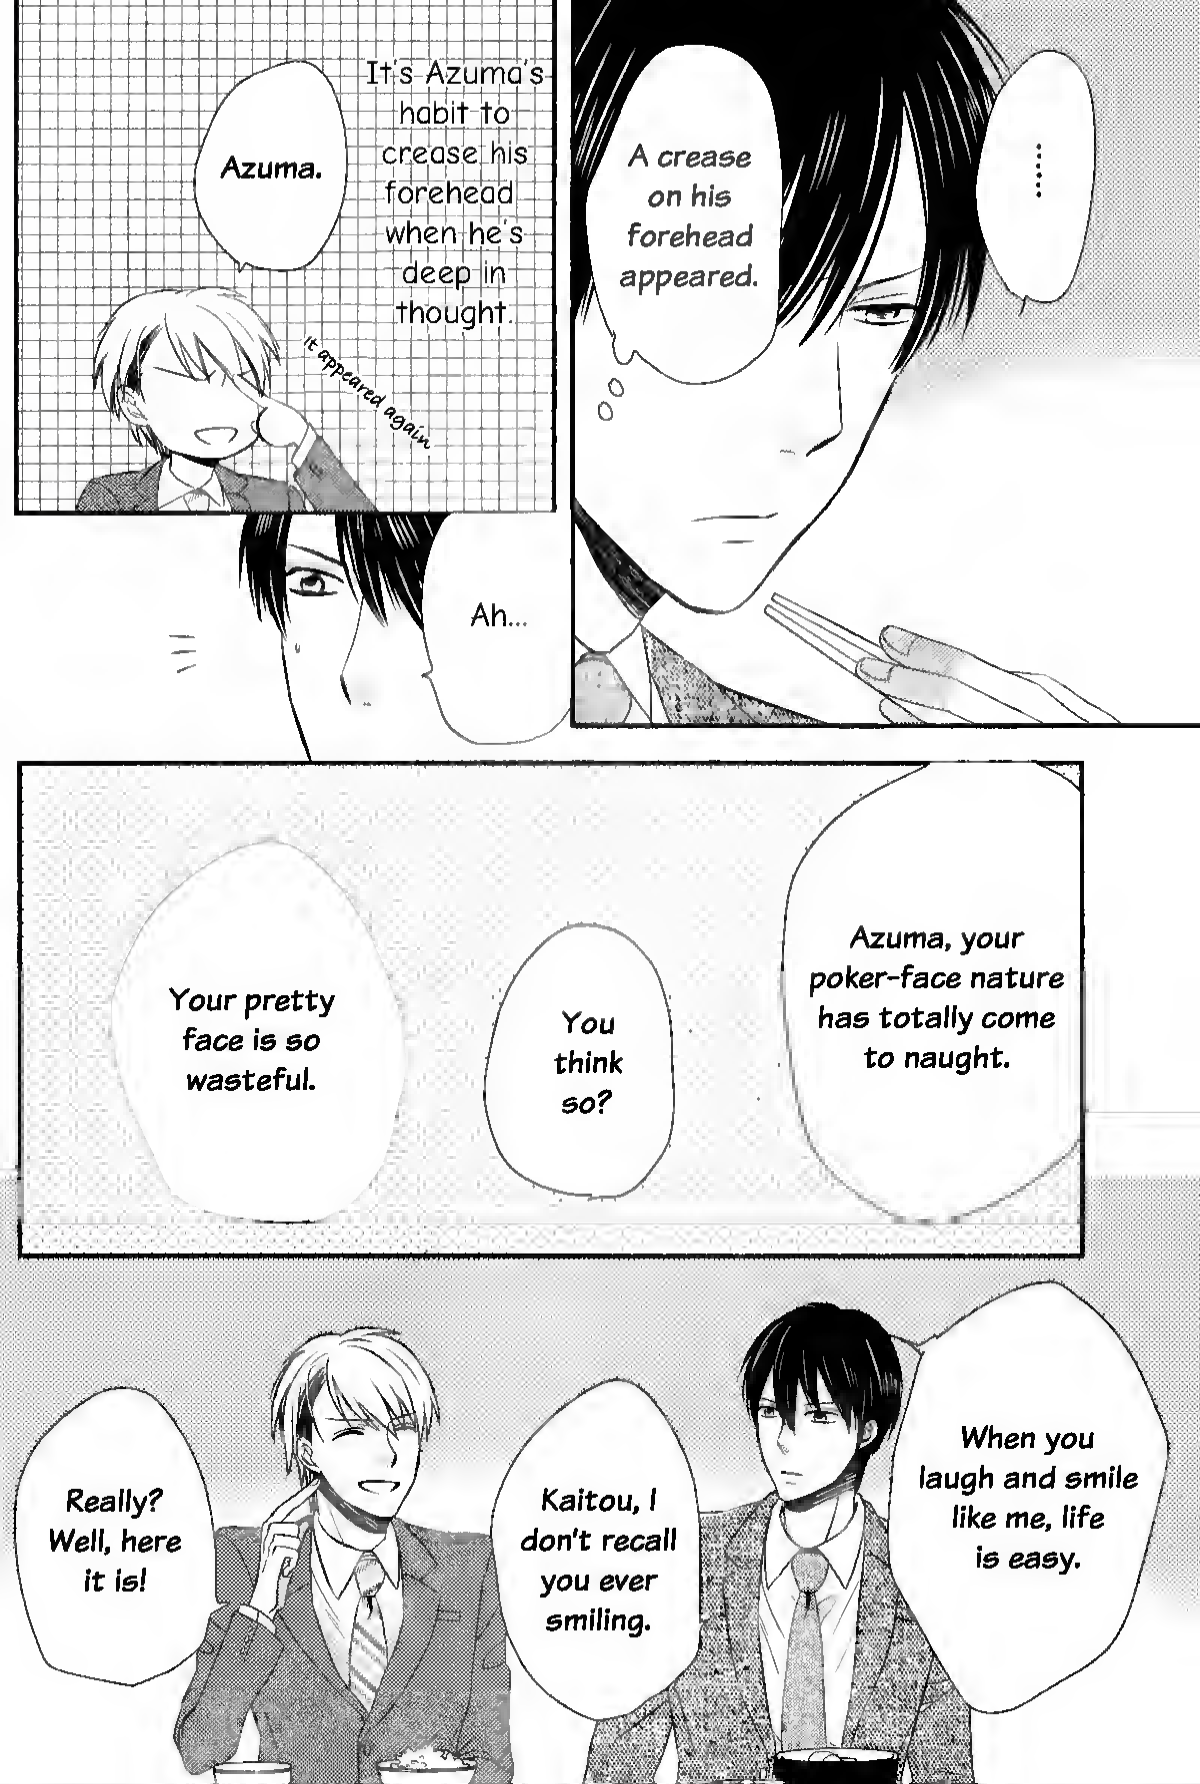
This guy likes me, doesn't he.
absentminded...
I give up— He must've truly fallen in love with me—
fu fu fu fu
With my charm... while I was being dreadful!
Morning, Kaitou.
Jolt

Morn...ing
Yesterday was fun.
Next time, are you okay with going out again?
...
Oh ohoh... of course!
I see.
I'm glad.
smiles
Waaa...

clatter
We..well, I have some outside work so I better go!
Okay.
.....
Aah— I'm truly a sinful man...
Wait, Kaitou-kun!
Hmm?
Since when have you been on good terms with Azuma-san?
Why am I "kun" and he is "san"?

What's the meaning of this?
grind
grind
Blast it, Azuma!
If I were to go out with Kaitou-kun, it wouldn't amount to much. There's no way!
It's because he feels so "superior"...
He's out of your league...
That guy fell in love with me...
However, it's troublesome...
Sorry, female employees!!
Am I the plague?
You can't imitate our Azuma-san!
pissed
pissed
That asshole...
Who's the "superior" one? I'm the one out of their league!

You finished all your outside work for today, too?
Azuma!
I have to go back and do the afternoon appoint-ments.
And you?
The distance between us rapidly became smaller
Me too.
T-company is your hard case, right?
You going?
Itadakimasu!
Until now, we didn't even talk so as I wouldn't lie to him
Well, it's just as you expect. I'm anal.



Azuma.
It's Azuma's habit to crease his forehead when he's deep in thought.
It appeared again
Ah...
A crease on his forehead appeared.
.....
Your pretty face is so wasteful.
You think so?
Azuma, your poker-face nature has totally come to naught.
Really? Well, here it is!
Kaitou, I don't recall you ever smiling.
When you laugh and smile like me, life is easy.

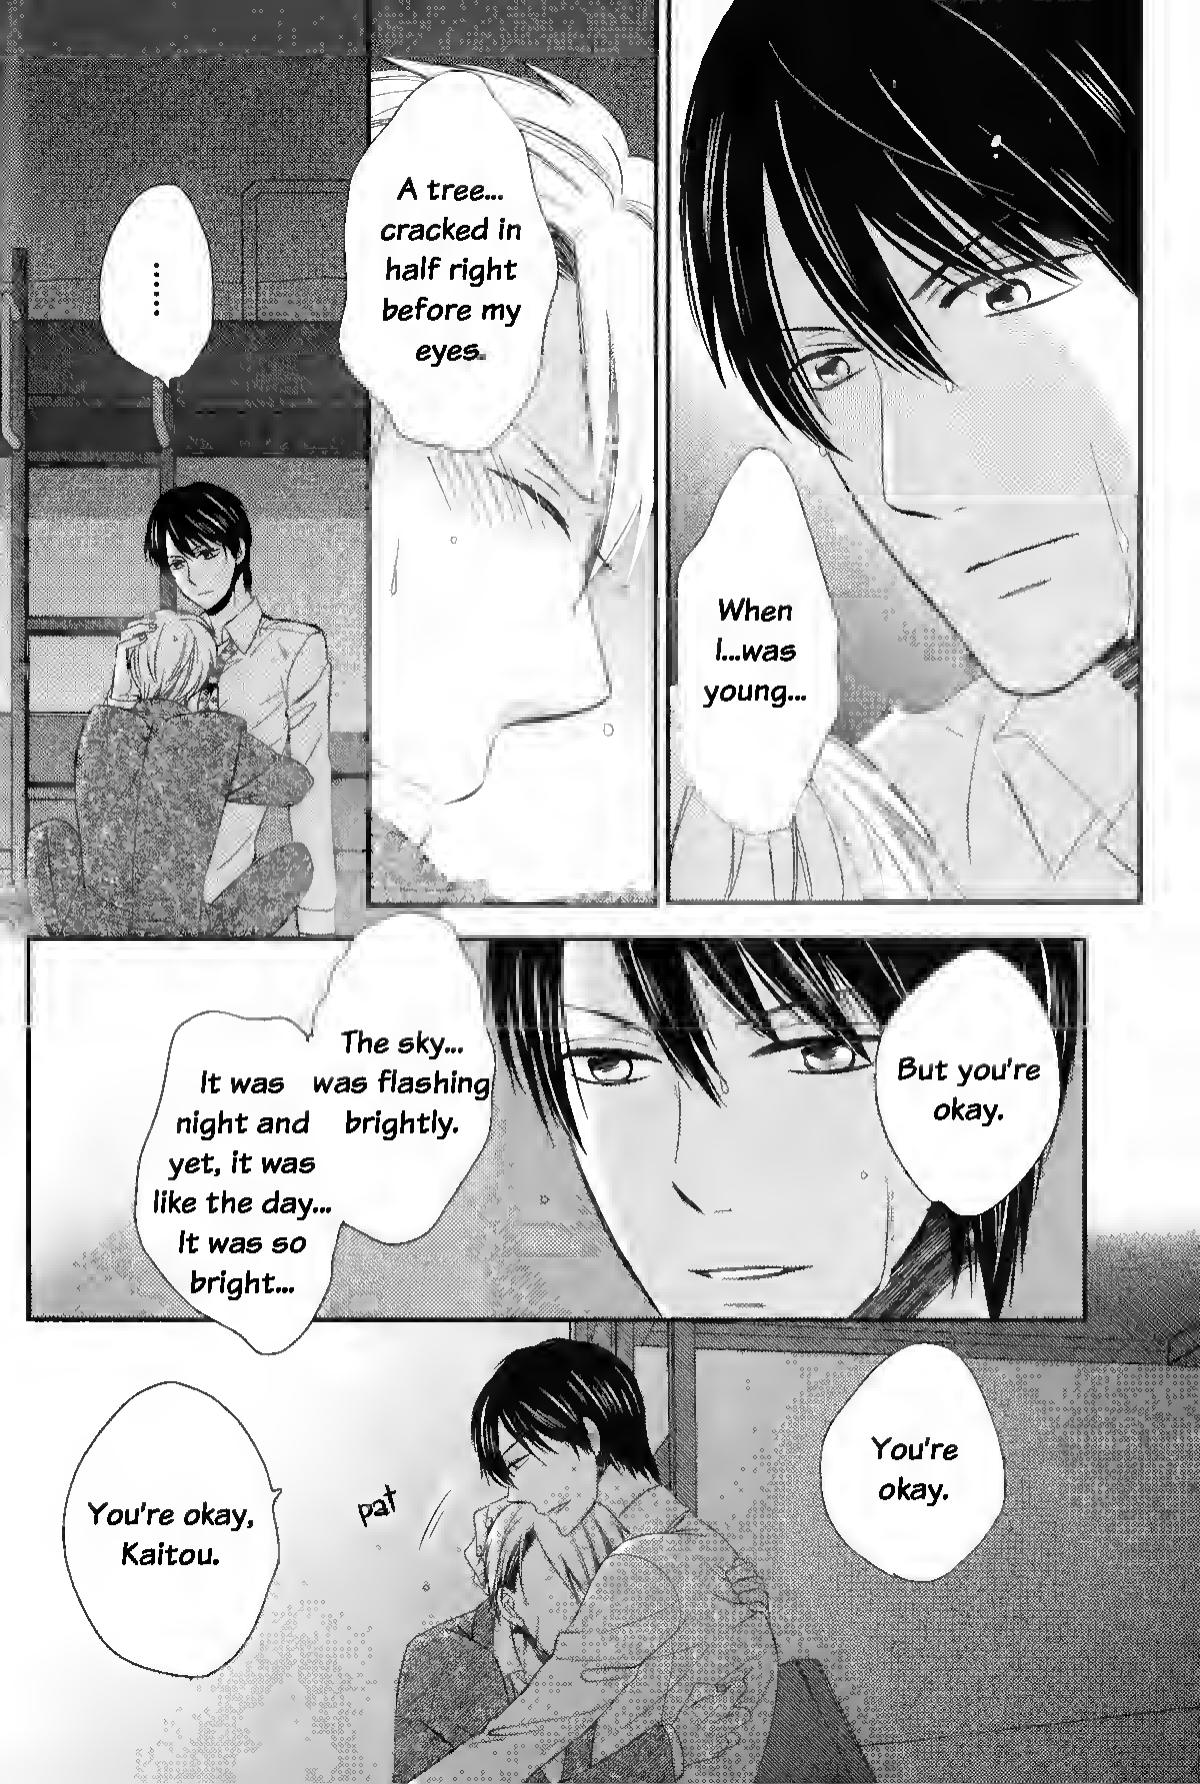
But,
You always act cheerfully.
People tend to gather around you.
Ha ha...
...
What's the
Real reason...
Ha...
This is really bad!
ザアアア

After drinking, we missed the last train so went back to work.
It's also raining
I'm cold
The break-room is empty.
I didn't look at the time at all.
It's my bad, for sure.
Yeah.
We're stuck at work now, huh?
I feel odd right now...
Kaitou.
Crap, I forgot and unintentionally enjoyed myself...

Ah...yeah, bed...right!
ba-dump
Heh.
Who's... going to use the bed?
This is alarming...
It doesn't matter to me...
Why do I feel like this is...
Bang
Crash
Uwaaaah—

At this sort of time...
...
A blackout, huh?
Hey.
Kaitou.
rattle
rattle
rattle
Kaitou...?
FLASH!
jolt
Uwaaaah!!
What's wrong? Are you okay?

Bang
Hyaaa
I...I can't handle lightning...
It...it's shameful, but...
shake shake
Kaitou...
S...sorry. Just for a bit...
hugs



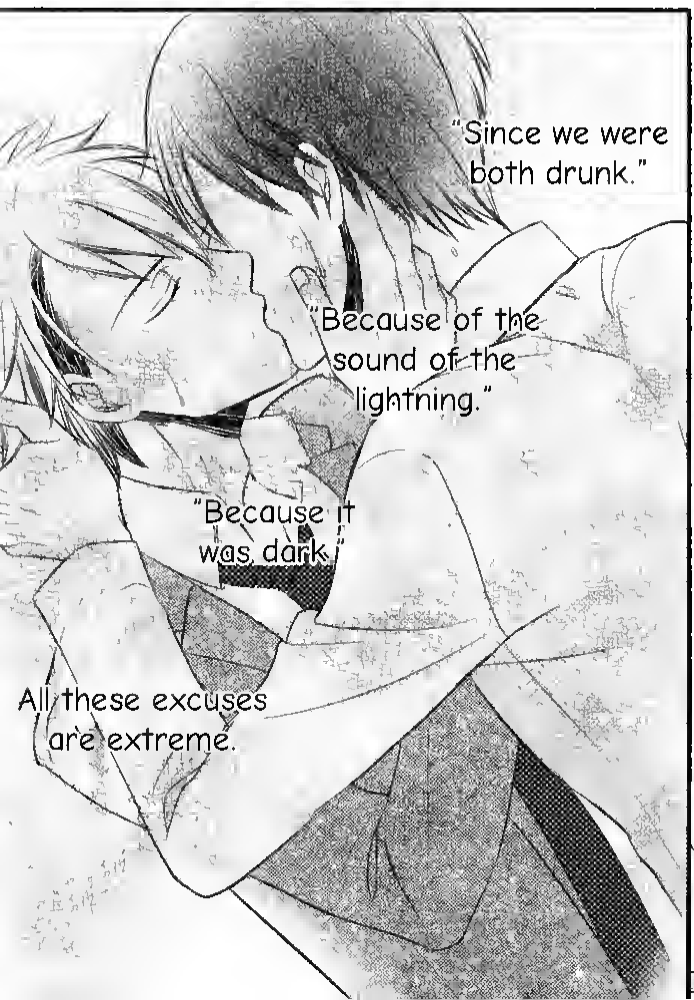
A tree... cracked in half right before my eyes.
.....
When I...was young...
The sky... was flashing brightly.
It was night and yet, it was like the day... It was so bright...
But you're okay.
You're okay.
pat
You're okay, Kaitou.

pat
pat
The rhythm of Azuma's hand was gentle.
There's something like a lightning rod attached to this building.
It's a common thing and it won't fall.
pat
Calming...
Yeah...
pat
Azuma
sigh
clench
Hurry.
It's fine if you tell me you like me..

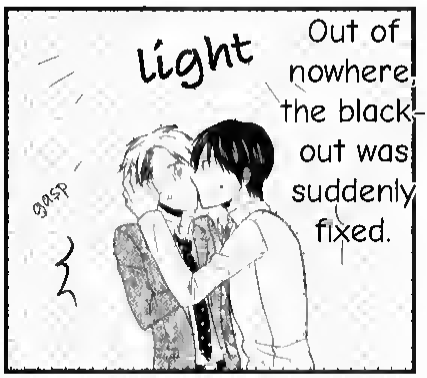
Then
I am
.....
Kai...
I am

……
！

.....
What have I done...



"Since we were both drunk."
"Because of the sound of the lightning."
"Because it was dark."
All these excuses are extreme.



Light
Out of nowhere, the black-out was suddenly fixed.
gasp

Azuma left by taxi
I'm... going home.
Uh... yeah.

.....

Azuma-san, morning—
Ba-dump
Yeah...
Mo... morning.
click
Yeah...
Did you get home safely last night?
I took a taxi so I was fine.
Sorry, Kaitou.
As expected from last night. Today is awkward...

It's a little intense right now.
Eh...
clatter
Wa...
Wait a sec!
slap
twist
Azuma!

Why must I be shaken up? This isn't good.
